European Union Aviation Safety Agency

FAQ n.104893

FAQs:

Certification Processes, Supplemental Type Certificates

Question:

In my point of view, the important in the DOA dashboard is not to have a good or a bad notation, but to know why it is not 100%. It is important to progress.

Answer:

Noted.

However, detailed information regarding the Certification feedback for the different projects are provided when the DOA signs the Memorandum of Understanding regarding the intended use of the data and just culture. Details about the MOU are provided by the responsible DOATL.
