European Union Aviation Safety Agency

FAQ n.116524

FAQs:

I would like to know about the light UAS operator certificate (LUC), Specific category, Drones (UAS), Regulations

Question:

How long is a LUC valid?

Answer:

The validity of a LUC is unlimited as long as the organisation remains compliant with the LUC's requirements. An LUC can be revoked or surrendered.

Regulatory reference: UASE.LUC.080 of EU regulation 2019/947.
