Question:

Should the term near' be understood as a distance of 1 000 meters, as identified in AMC1 ADR.OPS.B.005(b)?

Answer:

The term 'near' used in AMC3 ADR.OPS.B.010(a)(2) should be understood as including at least the 1 000 m referred to in AMC1 ADR.OPS.B.005(b), up to the 8 km referred to in AMC2 ADR.OPS.B.005(b), considering the published approach and departure procedures and the preferential flight routes.
