European Union Aviation Safety Agency

FAQ n.104995

FAQs:

Part 21, Supplemental Type Certificates

Question:

Part 21: Will be a dedicated qualification needed to perform the risk assessment associated to the Level of Involvement proposal?

Answer:

No. There are no specific requirements for the qualification of persons that perform the risk assessment in Part-21. The company has to ensure as part of their procedures and training provisions that competent persons with sufficient experience perform the tasks they are assigned for within their DO
