FAQs:

Overview of the Recruitment process , Recruitment

Question:

My degree/diploma will not be awarded until after the closing date for applications. May I apply?

Answer:

You must fulfill all eligibility requirements of the vacancy notice by the closing date for your application to be assessed. Therefore, if a specific degree is required (e.g. secondary or post-secondary education), this must have been awarded by the closing date. Qualifications gained after that date cannot be taken into consideration.
