European Union Aviation Safety Agency

Business Jets Workshop 2027

On-site event

Organised by: EASA

Event Type: Workshop

Date:
27 Jan 2027 to **28 Jan 2027**
27/01/2027, 09:00- 18:00 CET (UTC +1)
28/01/2027, 09:00- 18:00 CET (UTC +1)

Description

This workshop is dedicated to the discussion between the Business Aviation Industry and Authorities, with particular focus on product certification aspects, but with an eye on the global perspective (operations, maintenance and licensing) and focus on Regulations developments, challenges and activities to support the sector in the coming years.

Target Audience

- Business Jets Manufacturers/Type Certificate Holders
- National Authorities involved in the Certification and Operations
- Main associations involved in the Business Jets' World
