European Union Aviation Safety Agency

FAQ n.19571

FAQs:

Applications for TCO a Authorisation, Third Country Operators (TCO), Regulations

Question:

What are the technical requirements needed to access the EASA TCO web interface?

Answer:

You will need internet access and an internet browser. The EASA TCO web-interface supports the most common internet browsers.

To use the EASA TCO web-interface your browser must support JAVA script and SSL (Secure Sockets Layer) in order to secure confidential communication. In order to correctly view and complete the application forms on the TCO web-interface you must have Adobe® Reader® (version 8 or higher) installed on your computer. This can be downloaded free-of-charge from http://www.adobe.com.
