FAQ n.21950

FAQs:

Maintenance Organisations (MOA) / Maintenance Training Organisations (MTOA) , Applications for organisations, Certification of products and organisations

Question:

We are an Approved Maintenance Organisation (AMO) in Canada and would like to apply for an initial application to EASA Part-145?

Answer:

For more information you can visit our EASA Part-145 organisations located in Canada page and please review especially Maintenance Annex Guidance (MAG Rev.1)
There you will find useful information with regard to the requirements, approval procedure and the fees & charges.
It is required to complete EASA FORM 17 which should be submitted to your TCCA Regional Office. Please contact your TCCA Regional Office.
