Issued by: European Aviation Safety Agency

Supplemental Type Certificate Holder: Air Plus Maintenance GmbH EASA.21J.085

New Holder of the Certificate: air plus engineering GmbH EASA.21J.779

Background:

Due to the surrender of the **Air Plus Maintenance GmbH** DOA certificate EASA 21J.085 to EASA, the above approvals issued in the name of Air Plus Maintenance GmbH will be transferred to **air plus engineering GmbH, DOA EASA 21J.779**.

All STCs listed above and related minor change/repair approvals and all associated documentation issued previously to, or approved under their DOA privileges by the DOA number 21J.085 remain valid and the obligations and continuous support is ensured by the organisation under the DOA EASA 21J.779.

This pertains also to manuals and other technical publications issued under the old DOA number EASA 21J.085. No technical change is linked to this process.
