

EASA Certification Information

No.: 2014 - 02
Issued: 20 February 2014

Subject: **Revocation of Supplemental Type Certificates upon transfer from Airbus SAS to Airbus Operations GmbH (Annex 2)**

Supplemental Type Certificate No:

- EASA STC 10028791 Rev. 2
- EASA STC 10013957 Rev. 3
- EASA STC 10013946
- EASA STC 10031829

Issued by: European Aviation Safety Agency

Former Holder of the Certificate: Airbus SAS
EASA.21J.031

New Holder of the Certificate: Airbus Operations GmbH
LBA.21J.0101

Context:

Airbus SAS has requested with letters dated 12 March 2013 and 25 June 2013 to EASA the surrender of the Supplemental Type Certificates (STC):

- 10028791 Rev..2,
- 10013957 Rev. 3,
- 10013946,
- 10031829.

The above mentioned STCs have been incorporated into the LBA Supplemental Type Certificate (EMZ) TA0693 Issue 9, dated 21 June 2013 in order to consolidate the military-only-end-users A310-304 MRTT / MRT/ MRT-P3 STCs together with A310-304 polaris basic configuration STCs into one single LBA STC as per Regulation (EC) 216/2008 Annex 2 and to acknowledge the transfer of these Supplemental Type Certificates from Airbus SAS to Airbus Operations GmbH.

As a consequence, EASA has accepted the request and revoked the following Supplemental Type Certificates:

EASA STC reference

10028791 Rev..2
10013957 Rev. 3
10013946
10031829
