**Suspended - temporary removal in whole of the approval. The approval is held in abeyance in whole until compliance is reestablished. No certificate issue or re-issue is required.**

**Revoked - cancellation in whole or in part of an approval. The certificate is removed or re-issued with certain ratings removed. This implies that a new certificate has to be re-issued.**

**Surrendered – the approval holder returned its certificate to EASA. The certificate is cancelled in whole.**
