**TO WHOM IT MAY CONCERN**

**Subject: Invitation to the EASA ETSO Workshop 2022**

**Cologne, 15 July 2022**

Dear E/TSO applicants and All,

The EASA ETSO Workshop has become a regular forum for the worldwide community of ETSO/TSO manufacturers, installers and operators since its first occurrence in 2004 and I am glad to invite you to the 2022 ETSO Workshop which will take place this year in presence on:

20<sup>th</sup> and 21<sup>st</sup> September 2022  
at EASA Headquarters  
Konrad- Adenauer-Ufer 3  
50668 Köln  
Germany

The ETSO Workshop will be opened to registered participants only. In order to register, please go to EASA Webshop at: [European Technical Standard Order \(ETSO\) Workshop 2022 - | EASA \(europa.eu\)](#) and carry out the payment of the 80 EUR fee per day against your credit card. Please note that first you have to create a new account if you don't have one. The period for registrations ends on 19<sup>th</sup> August 2022. Having a limited availability, we kindly ask you to book at maximum 2 attendees for each organization to permit all the interested parties to attend. Further details about the workshop, like a detailed agenda, will be provided at a later stage.

Participants to the workshop can make use of EASA corporate rates at hotels in Cologne. Preferential rates are available via the booking platform [ehotel \(www.ehotel.de\)](#).

According to the feedback from the last ETSO workshop, the event will consist of a general part on day 1, covering topics of interest for all participants, like updates from Rulemaking, ADOA, foreign authorities. On day 2 there will be two split sessions with more detailed discussions in the domain of avionics as well as mechanical systems.

Copies of all presentations held, as well as additional background material, will be made available on the EASA website for download after the workshop.

To better prepare the workshop, we would like to get your questions, views and proposals in advance. We would also like to know about areas in which you see issues that should be addressed or areas where you need further information. We would kindly ask you to submit your questions or proposals by 19/08/2022 to [ETSOA@easa.europa.eu](mailto:ETSOA@easa.europa.eu) referring to “Questions for ETSO Workshop” in the subject line.

Looking forward to seeing you at the workshop.

Yours sincerely,

Francesco Maria CARIDEI
