- HIRF & Lightning
- New teaching methods & training technologies

Product Safety – tasks on-going

CRD planned in 2014

- Ageing Aircraft
- Dynamic testing 16
- Fire hazard in Class D cargo Compartments
- CS-Simulators
- Contracting of continuing airworthiness management activities

Opinion planned in 2014

- B2L and L licence
- Maintenance check flight

Decision Publication soon

- Ice Protection

New approach to GA

transport

business

training

sport

Same safety level:

- Not feasible
- Not what public expects
- Against ICAO endorsed philosophy

Specific **risk categories** are associated with GA activities.
They should be known and accepted by the community

Change EASA system

- ✓ Optimise Agency activities to GA
- ✓ Simplify administrative and operational procedures
- ✓ Streamline oversight activities
- ✓ EASA/NAA teams consider the size and expertise of applicants (proportionality)
- ✓ ‘One entry point/One voice’
