

**EASA**  
European Aviation Safety Agency

# ATM - Future technologies

## Panel 6

Luc Tytgat  
Director Strategy and Safety Management

**Your safety is our mission.**

An agency of the European Union

# Global Air Navigation Plan

➤ SESAR

➤ NEXTGEN

# Pre-conditions

- Maturity of technology
- Regulators capability
- Standards availability
- Synchronization ground - air - space - ops

# SESAR Deployment

- One Master Plan
- One Coordinating Body  
(airspace users, ANSP, airports, military)
- One Regulator (EASA together with National Authorities)
- One Deployment Programme
- One Charging Regulation
