Terms of Reference for task RMT.0521

Dear Sir or Madam,

I am pleased to invite you to attend the "Review of the Airworthiness Review Process" Workshop taking place at **Maritim Hotel Köln (Heumarkt 20, 50667 Köln)**, on **24 November 2015, from 09:00 to 16:30.**

The Maintenance Regulations Section of the Maintenance and Production Department is organising a workshop to present the latest changes proposed by an NPA to be published as part of the rulemaking task RMT.0521. This NPA proposes amendments to Regulation (EU) 1321/2014 and Regulation (EU) No 748/2012 to address the objectives described in the Terms of Reference (see attachment), namely:

- provides more clear requirements/guidance for those aspects which were creating interpretation/standardisation problems;
- removes those requirements which do not bring safety benefits;
- facilitates the transfer of aircraft between Member States; and
- reinforces the oversight role of the competent authorities.

The workshop is open to all interested parties from industry and NAAs. We kindly ask you to complete your online registration via the EASA webshop (<https://webshop.easa.europa.eu>) by **Tuesday, 17 November 2015 the latest**. **A registration fee of 79 euros is applied**. For organisational reasons, attendance will be limited to two participants per organisation.

In order to help preparing the workshop you may submit your questions to our functional mailbox [FS.1.2-workshops@easa.europa.eu](mailto:FS.1.2-workshops@easa.europa.eu).

Yours faithfully,

Juan ANTON
