Background

- Proposal presented to ECAST plenary in sept. 2010 :
- A European FDM forum
 - for the sharing of best practice and production of guidance
 - under the aegis of ECAST

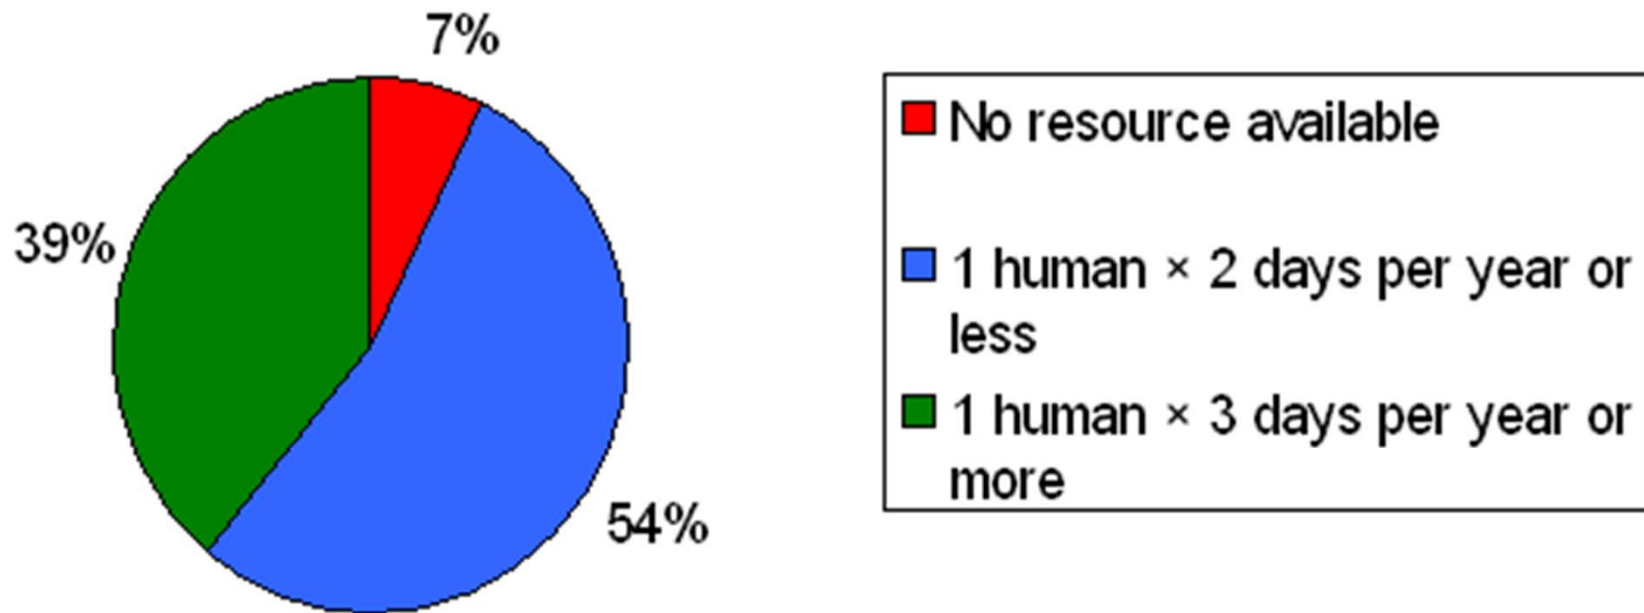

Background

- Objective of the European Operators FDM forum (EOFDM):
 - facilitate the implementation of FDM programmes by operators
 - help operators in drawing the maximum safety benefits from an FDM programme

II. Survey on EOFDM - resources

Potential human resources

Survey on EOFDM - Deliverables

Expected deliverables
