Subject : **ICAO - EASA Joint pan-European NCMC meeting (E-NCMC)**  
(Cologne, Germany, 7 June 2018)

Dear Madam/Sir,

1. Building on the successful experience of ICAO - EASA Joint pan-European National Continuous Monitoring Coordinator meeting (E-NCMC) held in May 2017, it was decided to continue this good practice of coordinated assistance to States in improving their level of effective implementation (EI) of the eight critical elements of the State safety oversight system. Such meetings, held in true spirit of ICAO No Country Left Behind (NCLB) campaign, serve our mutual goals to avoid duplication, capitalize on existing mechanisms and support regional implementation of the ICAO Global Aviation Safety Plan (GASP).
2. It should be noted that, the organization of such meetings is a common practice in other ICAO Regions where all NCMCs meet and discuss implementation challenges, share experience and get updates from ICAO representatives on recent developments of the ICAO Universal Safety Oversight Audit Program (USOAP).
3. Therefore, the ICAO EUR/NAT Regional Office together with EASA invite your National Continuous Monitoring Coordinator to participate in the next joint pan-European NCMC meeting that will be held in EASA headquarters in Cologne, Germany, on 7 June 2018. Information on the event, including hotel details, is posted on the EASA website: <https://www.easa.europa.eu/newsroom-and-events/events/8th-meeting-european-national-continuous-monitoring-coordinators-encmc8>. All visa support requests can be directed to the EASA focal point indicated below.
4. Please confirm the participation of your NCMC by return e-mail to the ICAO EUR/NAT office [icaoeurnat@paris.icao.int](mailto:icaoeurnat@paris.icao.int) with a copy to EASA focal point Mr. Krzysztof KEDZIERSKI [krzysztof.kedzierski@easa.europa.eu](mailto:krzysztof.kedzierski@easa.europa.eu) by 24 May 2018.
