

FAQ n.136737**FAQs:**

[Instructions for Continued Airworthiness \(ICA\)](#), [Initial Airworthiness](#), [Regulations](#)

Question:

For scheduled tasks like restoration or functional check, which are performed off-aircraft, are the Aircraft Maintenance Manual “remove” and “install” instructions, as part of the ICA, enough?

Answer:

If you have a restoration or a functional check you need accomplishment procedures to perform this task, remove / replace is not enough here (refer to GM1 21.A.7(a) Scope of ICA, their publication format and typical ICA data, para (c) and GM2 21.A.7(a) Determination of which supplier data is part of the ICA, para (a)(2) and (a)(4)(ii)).
