### Description

The Aircraft Maintenance Workshop is an interactive forum to discuss MRB process, MSG-3 tool, AMP and other aircraft scheduled maintenance related topics. It is open for participation to National Competent Authorities (NCAs) of the EU Member States, Operators/CAMOs and Aircraft/Rotorcraft Manufacturers.

Scope of this meeting will be (refer also to Preliminary Agenda) to:

- Keep our stakeholders up-to-date with the most recent EASA changes and goals;

- Provide feedback on International MRB Policy Board activities and achievements;
  - Discuss about technical or procedural MRB items proposed by either EASA/NCAs and Industry;
  - Discuss about other aircraft scheduled maintenance related items such as MPD, AMP, ICAs, Legacy Programs, etc.
-
