Description

The International Maintenance Review Board Policy Board (IMRBPB) aims at developing higher maintenance standards and improving safety in maintenance aspects. The IMRBPB allows harmonisation between authorities and ensures a common approach.

At the IMRBPB Annual Meeting 2024, various improvements are to be agreed, among others:

- the update of the International Maintenance Process Standard (IMPS) document;
- the Maintenance Programme Development tool MSG-3; and
- associated Maintenance Review Board / Maintenance Type Board processes.
