### Description

The objective of the workshop is to present the status of the OSD implementation and to exchange views with industry representatives.

The various subjects will be presented jointly by EASA and industry representatives to share the experience gained since the introduction of the OSD in Part-21 and to build on this experience.

EASA OSD Experts will be available to assist with questions.

Welcome of participants will start at 8:30 am. The workshop will start at 9:30 am with the introduction of the Certification Director, Mr. Trevor Woods.

We expect and encourage lively discussions during the workshop. To determine the “hot topics”, you, as participants, are invited to submit your queries by sending an email at [OSDworkshop \[at\] easa.europa.eu](mailto:OSDworkshop@easa.europa.eu) no later than Friday 18 September

2015.

## **Registrations are closed**

To participate in the workshop, please complete the [online registration](#). An administrative fee of 75 EUR will be charged. For your financial purposes, please note that the Agency can only issue a receipt of payment, not an invoice for your attendance to this event.

The registration will be carried out on a first come – first served basis.

Cancellations must be made as soon as possible in writing and sent to OSDworkshop [at] easa.europa.eu
