Description

The workshop will take place on 6-7 October 2015 at the Jugendherberge Köln - Deutz.

The workshop will not have any registration fees and will be delivered jointly by EASA and ANAC.

The 1st day of the workshop will be only directed to EU MS National Aviation Authorities staff involved in the implementation of Annex B to EU - Brazil Agreement on Civil Aviation Safety and associated third tier document the Maintenance Annex Guidance (MAG). The workshop is part of the training of the NAAs inspectors involved in the implementation of Annex B and the MAG.

The 2nd day will be dedicated to the industry. The aim is to hold an interactive workshop attended by representatives from the Aircraft Maintenance community and National Aviation Authorities. The workshop will give the opportunity to discuss implementation issues and exchange views with the industry, NAA representatives across Europe, EASA and ANAC.
