[Aero 2016 - GA Miniconferences](#)

Description

Stand Number: Hall A5, A5-300

The European Aviation Safety Agency is working towards simpler lighter and better rules for General Aviation. There is a lot of progress we want to present as the regulatory landscape is changing for the better, far exceeding all expectations. Come and find out more, visit us at our EASA stand at AERO in Friedrichshafen. You will find us in Hall A5, at stand A5-300 where you can meet EASA and NAA experts.

In addition EASA is organising [four mini-conferences](#) which are open to interested visitors and exhibitors. All mini-conferences are taking place in room BERLIN, Foyer EAST.
