Description

Start time - End time: 09:15 - 16:30

In 2011, EASA established the Network of Analysts (NoA) to provide a mechanism to support analysis of safety data for the EPAS and to assist States in assessing their priorities for the State Safety Programmes (SSP). The publication of Regulation (EU) 376/2014 on the reporting, analysis and follow-up of occurrences in civil aviation formalises the role of the NoA to enable collaboration on the improvement of aviation safety.
