22 September 2017, 09:30 - 12:00

Description

The 6th SAFA Forum will include presentations and open discussions to enhance the dialog between EASA, the Competent Aviation Authorities (SAFA National Coordinators) and the industry on the latest developments, revised procedures and the future changes of the SAFA Programme.

This year's meeting will update you on the two ongoing projects regarding the use of manufacturer data and on the further enhancement of the risk based approach in the SAFA programme, and will facilitate a brainstorming discussion on the safety relevance of ramp inspections.

Registration

For organisational reasons, the participation is not open to individual operators but

restricted to representatives of airline associations. The number of participants is limited to 2 persons per organisation. Please confirm or cancel your attendance to safa [at] easa.europa.eu mentioning the name, position and email address of the participant(s) by 21st of July 2017 the latest.
