### Description

#### **Description**

Considering the numerous questions on OSD raised during last DOA NAA workshop dated 10 & 11/05/2017 (dedicated to Authorities and EASA staff only), we have decided to organise a 1 day event on 24th October 2017, at EASA premises.

The meeting (dedicated to Authorities and EASA staff only) will have a specific format where feedback from the field will be presented and generous room for discussion ensured.

You will have the opportunity to raise your points in a very open environment.
