Description

The European Aviation Safety Agency (EASA) and the Civil Aviation Administration of China (CAAC) are proud to announce the 2018 EASA-CAAC Aviation Safety Conference scheduled October 29-31, 2018 in Madrid, Spain.

Chinese and European Aviation industry and regulatory authorities will gather to discuss the latest developments in Aviation Safety. Topics will include Aircraft Certification, Air Operations, Safety and Data Analysis, Air traffic Management and Airports.

The Conference is hosted by the Spanish Aviation Safety and Security Agency (AESA) and supported by the EU-China Aviation Partnership Project (APP).
