Description

In order to assist stakeholders to prepare for the implementation of the new common requirements for providers of ATM/ANS and other ATM network functions laid down in Regulation (EU) 2017/373, EASA organises a workshop focusing on the new requirements and aiming to familiarise with the use of Acceptable Means of Compliance and Guidance Material, being established by the Agency.

The Agenda is anticipated to cover at least the following topics:

- New applicable requirements for providers of ATM/ANS and other ATM network functions;
- The use of Acceptable Means of Compliance (AMC) and Guidance Material (GM);
- Transition Process; Initial Certification;
- Open Discussion.

Accommodation and travel arrangements

EASA will provide a meeting venue and catering (coffee breaks). The lunch breaks are to be covered on your personal expense. Accommodation and travel costs will have to be carried by the participants.
