

European Aviation Safety Agency

**Comment Response Document (CRD)
on Consultation paper nr. 7 of 29 July 2003**

**CS-APU
Certification Specifications for auxiliary power units**

Foreword to the Comment Response document (CRD)

To give a rapid overview of the CRD, the following keywords were used in responding to comments:

- “Carried”: The proposed amendment is wholly transferred to the revised text.
- “Noted”: The comment is acknowledged and where needed the text has been improved.
- “Deferred”: The comment requires further assessment by the Agency under its future rulemaking programme.
- “Disagreed”: The comment is not shared by the Agency.

CRD - CS - APU Book 1&2

General Comments

Para.

45 / CAA Sweden

Comment

With reference to the Consultation Papers concerning certification specifications (CS) mentioned above, we would like to make the following comments.

Since the proposed certification specifications contain regulatory material which, essentially, is identical to the content of the corresponding JARs, we are in favour of the proposed material.

However, should the proposals not have the same content as those JARs, there must be a possibility to rediscuss such items.

Response

Noted.

50 / CAA UK

Comment

Please be advised that the UK CAA has no comments to make on CS-APU 'Certification Specifications for Auxiliary Power Units.' The document is satisfactory as written.

Response
