

## EASA Certification Information

**No.:** 2011 - 12  
**Issued:** 05 August 2011

**Subject:** Revocation of European Technical Standard Order (ETSO) Authorisation EASA.21O.458 upon request to surrender by EADS Deutschland GmbH

**ETSO Authorisation No:** EASA.21O.458

**Issue date:** 18 January 2006

**Issued by:** European Aviation Safety Agency

**Holder of the Certificate:** EADS Deutschland GmbH  
Woerthstrasse 85  
89075 – Ulm  
Germany

**Model:** DKG4 (Moving Map Symbol Generator)

**Part Number:** P/N 5463-120000( )00C

**Background:** The request by EADS Deutschland GmbH of 22 March 2011 to surrender its ETSO Authorisation No. EASA.21O.458 has been accepted by EASA.

EADS Deutschland GmbH informed the Agency that only 1 article has been produced under the above mentioned ETSO Authorisation and that this only existing article is not in operation. The article is available in the stock of EADS Deutschland GmbH and its ETSO marking has been removed. In addition, the article has been removed from EADS Deutschland GmbH POA and MOA capability lists. No Form 1 (Authorised Released Certificate) has been issued for this article.

In accordance with the applicable EASA administrative procedures<sup>1</sup>, EASA decided to accept the surrender of the aforementioned ETSO Authorisation. EASA has submitted the decision to revoke ETSO Authorisation No. EASA.21O.458 to the ETSO Authorisation holder on 19 July 2011.
