

EASA Certification Information

No.: 2011 - 03
Issued: 14 February 2011

Subject: Revocation intent of EASA Type Certificate for the Silvercraft SH-4 helicopter.

Type Certificate No: SO / A-145

Issue date: 4 September 1968

Issued by: Registro Aeronautico Italiano (now Ente Nazionale per l'Aviazione Civile)

Background: EASA has determined that Type Certificate SO / A-145 for the Silvercraft SH-4 helicopter does not have a valid Type Certificate holder; therefore, EASA intends to revoke the Type Certificate.

EASA hereby asks you to communicate the aforementioned information to any natural or legal person to whom this revocation of the Type Certificate of the Silvercraft SH-4 helicopter could be of direct and individual concern as well as to other possible interested persons. When doing so, EASA also asks you to inform them about the possibility until **14 March 2011** to comment and/or to express their will to take over the ownership of the aforementioned type certificate and after showing competence to fulfil the necessary obligations of a TC Holder in accordance with the applicable rules.

A list of the direct and individual concerned and other possible interested persons should be sent to EASA.

After evaluation of the comments received, EASA will revoke the aforementioned TC of reference or initiate the transfer in accordance with the applicable EASA administrative procedures.

Contact: Any request, query or comment should be sent to:
