Question:

To whom can an appeal against the examination/test/check results be sent?

Answer:

If an applicant does not agree with the result of his/her assessment, he/she can only resolve this problem at the national level.

An applicant cannot apply to the EASA management regarding a decision taken by his/her national aviation authority. Appeals to the Agency can only be made against decisions of the Agency.

Therefore the applicant should resolve this problem on the national level by sending his/her complaints to the national body dealing with complaints against state authorities.
