Question:

How can I find one particular AMC-20 in the published AMC-20 amendments?

Answer:

Since its amendment 18, all AMC-20 items are included in the latest published AMC-20 amendment.

In addition, Subpart B of AMC-20 includes a list of the different AMC-20 items and indication of which amendment of AMC-20 introduced or modified each AMC-20 item.

Please also consult the [Easy Access Rules for AMC-20](#).
