

COMMON SENSE IN AVIATION LEGISLATION

JUDr. Pavel Müller
President

Introduction

2

JUDr. Pavel Müller

- EHAC President

www.ehac.eu

- CEO of Alfa-Helicopter

- HEMS Pilot

www.alfahelicopter.cz

The legislator has to clarify what he wants to achieve

The legal framework reflects the current state of society

The legislation should address those who want
to comply

The legislation should establish the principle of correct behaviour

The law has to be concise

Fewer and better regulations

From compliance checking to safety checking

Thank you for listening
