

**FAQs:**[ATCO Licensing](#), [Regulations](#)**Question:**

**ATCO.AR.D.001(a)(2) ...authorisation for assessors... — Does this mean that the competent authority shall specifically approve the assessors who will renew and revalidate unit endorsements?**

**Answer:**

It is up to the competent authority to decide whether they want to delegate this task to (certain) assessors. If they do, a procedure has to be established and the assessors have to be specifically authorised for the task.
