**Subject:** Invitation to the "EASA Conference: CRD for Part-CAT and Part-SPA"  
Pullman Cologne, 25 November 2010

Dear Sir or Madam,

It is my pleasure to invite you to a one-day conference presenting an overview of the comment response documents (CRDs) for

- Part-CAT, Commercial Air Transport Operations, and
- Part-SPA, Operations with Specific Approvals

The CRDs relate to NPA 2009-2a and 2b. Part-CAT contains the technical requirements for commercial air transport operations with all categories of aircraft. Part-SPA comprises requirements for operations with specific approvals applicable to commercial as well as non-commercial operations with all categories of aircraft.

The event is addressed to stakeholders from National Aviation Authorities and industry.

It is our intention to acquaint the participants with the new proposed provisions, so as to provide a better understanding of the related CRDs. The agenda will be published on EASA website in October 2010.

You are kindly requested to indicate your interest by completing the "registration form" on the EASA website (Events) and to submit it by e-mail before 15 November 2010, to the address given on the form.

The conference is only accessible to registered participants, who will receive confirmation of participation. Registration will be carried out on a first-come, first-served basis.
