

### **Wrap-up and Closure remarks**

- presented by R, Simon, EASA Design Organisation Manager -

- Many thanks and appreciations were presented to all participants and contributors, also for the fruitful discussions and dialogue. Hopefully all participants expectations were fulfilled;
- Summary of actions:
  - debriefing with Certification Directorate to be organised;
  - further discussions within DO section to take place;
  - following feedback, next meeting format to be decided;
  - certification colleagues presence shall be ensured during next meeting;
- November 2012 DOA side meeting presentations will be available on EASA website and EASA Q drive (Q:\DO-Workshops\DOA-workshops\2012-11) immediately;
- Further questions are still welcomed;
- Q&A will be also available on EASA website and EASA Q drive as soon as possible;
- On-line feedback would be very much appreciated.
