**Subject: Invitation to EASA 9th Air Operations Standardisation Meeting  
(Cologne, 25 – 26 June 2013)**

Dear Madam, dear Sir,

We are pleased to inform you that the EASA Standardisation Department will be organising the 9<sup>th</sup> Air Operations standardisation meeting on **25 and 26 June 2013** at the HORION House, venue located in close proximity to the Agency's premises in Cologne.

This meeting will focus mainly on the implementation of the new Implementing Rules in the domain of Air Operations.

A dedicated agenda topic will cover the ARO implementing issues you wish to address. In order to make the process effective, we kindly invite you to send any comments / lessons learnt / difficulties encountered, which are related to 4 major ARO topics:

- ARO.GEN Section 1 (General);
- ARO.GEN Section 2 (authority management system);
- ARO.GEN. Section III (oversight)
- ARO Subpart OPS

You are kindly requested to send your contribution **2 weeks before the meeting at the latest**, so to allow EASA to aggregate topics and elaborate on the answers with due time.

Please verify that the issues you would like to address have not been already covered in the Frequently Asked Questions on the EASA Flight Standards Mini-website:

<http://easa.europa.eu/flightstandards/faq.html>

We expect this meeting to take the form of an open and constructive interactive workshop.

The agenda as well as further details will be sent to you in a few weeks.

To facilitate your travel arrangements, please be informed that the event is planned to start at 13:00hs on Tuesday, 25 June. The meeting will continue on Wednesday morning, 26 June, with closing time scheduled for 16:30hs.

We kindly remind you that this meeting is not subject to reimbursement.

We look forward to welcoming you at EASA and thank you in advance for your participation.

Yours sincerely,
