Subject: Invitation to the Seventh EASA Rotorcraft Symposium
4th and 5th December 2013

Dear Sir, Madam,

I am pleased to invite you to attend the Seventh Rotorcraft Symposium scheduled to be held at the Maritim Hotel in Cologne, Germany, on 4th and 5th December 2013.

The EASA Rotorcraft Symposium is the European forum for the rotary wing community where Authorities, Industry, Operators, Pilots, constructively discuss achievements and concerns in order to set the course for the future of rotorcraft airworthiness for the promotion of Aviation Safety.

I can anticipate that the agenda will include a wide range of topics from Design Technologies to Aircraft safety fundamentals, Airworthiness compliance, to Continuing airworthiness and Certification Standards.

As customary, the Symposium will only be accessible to registered participants; therefore, kindly indicate your interest by completing the "registration form" on the EASA website (Events), before Saturday 9th November 2013. The participants will receive confirmation of their participation. The Agency levies an administrative fee of €150 from all symposium participants (speakers and press free of charge).

All conference documentation, as well as information on registration and accommodation will be published on the EASA Website (Events): <http://easa.europa.eu/events/events.php>. You are invited to visit it regularly for updates.

For additional information, please contact Ms Paola Galmarini by email at ROTORCRAFT-BALLOONS-AIRSHIPS@easa.europa.eu or by phone at +49 221 89990 4375.

Yours sincerely,
