SAFA training organised for Moldovan inspectors

The Eastern Partnership and Central Asia Project (EaP/CA) provided support to the Moldovan inspectors with no prior experience in ramp inspection by organising an Initial Ramp Inspection training (SAFA) and on-the-job training (OJT).

The training was delivered by a Ramp Inspection Training Organisation as per the Commission Regulation (EU) 965/2012. All inspectors attending the course have been issued with the official certificate proving the successful completion of the training.
