

EASA Certification Information

No.: 2021-34
Issued: November 2021

Subject: Lindstrand Technologies Ltd. surrender of Type Certificate UK BB23 for Model LBL 203P Tethered Gas Balloon

Background:

Lindstrand Technologies Ltd. was the holder of European Union Aviation Safety Agency (EASA) Type Certificate (TC) UK BB23 for the LBL 203P Tethered Gas Balloon (TGB). The TC was grandfathered on the 1st January 2021 from UK CAA, new State of Design Authority, keeping reference to the originally issued Type Certificate Data Sheet (TCDS) No. UK BB23.

The Agency has been informed that Lindstrand Technologies Ltd. surrendered the TC UK BB23 to UK CAA, with effective date of 4th August 2021, and that there are no remaining TGB LBL 203P models existing / in operation.
