

10 June 2022

Balloon Operations Workshop

The workshop aimed to raise level of participants knowledge and understanding of applicable regulations for certification and supervision of balloon operations as per Commission Regulation (EU) 2018/395 of 13 March 2018 .The workshop has largely contributed to the understanding of the applicable regulations to the level which allows for the start of implementation.

Croatian CAA experts shared their experience in the field followed by the practical part of the workshop that was held at Stenkovec Airport, where a balloon operator demonstrated the preparation of the flight plan, the preparation of balloons and passengers for the flight.

The activity was implemented in period 01 – 03 June 2022 in Skopje, North Macedonia.

In total 19 participants from 7 beneficiary countries participated in the activity.
