

30 September 2022

## *Compliance Monitoring System review and update*

This activity aimed to provide support to Montenegro, Kosovo, and Serbia experts in the review of their CMS and to provide a set of recommendations for its improvement. Montenegro CAA CMS system was used as a baseline for the activity.

Spanish AESA expert performed a review of Montenegro CAA CMS and provided an action plan with set of recommendations for its improvement. Best implementation practices including real case examples were provided to the participants.

The activity was implemented in period 19 – 23 September 2022 in Podgorica, Montenegro.

In total 8 participants from 3 beneficiary countries participated in the activity.

*The "EASA-IPA5" project is funded by  
the European Union and implemented  
by EASA*
