Workshop on Air carrier operating licence requirements implementation and Oversight

The main objective of this activity was to support IPA 5 NAAs experts to increase their capability for implementation of the Regulation (EC) 1008/2008.

The on-site workshop was focused on following topics (emphasizing practical experience illustrated by examples where possible):

- o Overview of the applicable regulation,
- o NAA processes (granting, suspending, and revoking Operating Licenses (OL)) and related procedures,
- o Operating licence application,
- o Competence of NAA staff,
- o Continuous Monitoring Plan for economic oversight.

The activity was implemented in period 10 – 11 October 2022 in Belgrade, Republic of Serbia.

In total 10 participants from 5 beneficiary countries participated in the activity.
