Executive Director Decision

2022/021/R

of 16 December 2022

issuing the following:

‘Embodiment of safety management system and occurrence-reporting requirements into Annex I (Part 21) to Regulation (EU) No 748/2012’

THE EXECUTIVE DIRECTOR OF THE EUROPEAN UNION AVIATION SAFETY AGENCY (EASA),

Having regard to Regulation (EU) 2018/1139¹, and in particular Articles 76(3) and 104(3)(a) thereof,

Whereas:

(1) Acceptable means of compliance are non-binding standards issued by EASA, which are used by persons and organisations to show compliance with Regulation (EU) 2018/1139 and with the delegated and implementing acts adopted on the basis thereof.

(2) Guidance material is non-binding material issued by EASA, which helps to illustrate the meaning of delegated or implementing acts or certification specifications and detailed specifications, and which is used to support the interpretation of Regulation (EU) 2018/1139, of the delegated and implementing acts adopted on the basis thereof, and of certification specifications and detailed specifications.

(4) EASA shall, pursuant to Article 4(1)(a) of Regulation (EU) 2018/1139, reflect the state of the art and the best practices in the field of aviation and update its Decisions, taking into account worldwide aviation experience and scientific and technical progress in the respective fields.

Commission Implementing Regulation (EU) 2022/203 and Commission Delegated Regulation (EU) 2022/201, amending Regulation (EU) No 748/2012, introduce safety management system requirements into Part 21, thereby incorporating the related International Civil Aviation Organization (ICAO) Annex 19 Standards and Recommended Practices (SARPs), and harmonise Part 21 with Regulation (EU) No 376/2014 as regards the occurrence-reporting requirements. Therefore, EASA determined the need to amend the Acceptable Means of Compliance and Guidance Material to Part 21 to facilitate the implementation of the amendments that were introduced by Commission Implementing Regulation (EU) 2022/203 and Commission Delegated Regulation (EU) 2022/201.

(5) EASA, pursuant to Article 115(1)(c) of Regulation (EU) 2018/1139 and Article 6 of the EASA Rulemaking Procedure\(^3\), widely consulted the interested parties on the content of this Decision, and will provide a written response to the comments received through the consultation\(^4\),

HAS DECIDED:

**Article 1**

Annex I to Decision 2012/020/R of the Executive Director of the Agency of 30th October 2012 is amended as laid down in the Annex to this Decision.

**Article 2**

This Decision shall enter into force on the day following that of its publication in the Official Publication of EASA.

It shall apply from 7 March 2023.

Cologne, 16.12.2022

*For the European Union Aviation Safety Agency*

*The Executive Director*

\(^3\) EASA is bound to follow a structured rulemaking process as required by Article 115(1) of Regulation (EU) 2018/1139. Such a process has been adopted by the EASA Management Board (MB) and is referred to as the ‘Rulemaking Procedure’. See MB Decision No 18-2015 of 15 December 2015 replacing Decision 01/2012 concerning the procedure to be applied by EASA for the issuing of opinions, certification specifications and guidance material ([http://www.easa.europa.eu/the-agency/management-board/decisions/easa-mb-decision-18-2015-rulemaking-procedure](http://www.easa.europa.eu/the-agency/management-board/decisions/easa-mb-decision-18-2015-rulemaking-procedure)).
