

EASA Certification Information

No.: 2023-09
Issued: 14 March 2023

Subject: Transfer of Supplemental Type Certificate 10043630 Rev 1 from Beechcraft Berlin aviation GmbH to Aviation Engineering AS

Issued by: European Aviation Safety Agency

Former Holder of the Certificate: Beechcraft Berlin aviation GmbH
EASA DOA ref: EASA.21J.231

New Holder of the Certificate: Aviation Engineering AS
EASA DOA ref: EASA.21J.391

Context:

In accordance with EASA procedure for Transfer or Surrender of a Product Certificate, Aviation Engineering AS, in agreement with the current certificate holder, Beechcraft Berlin aviation GmbH, has made an application to EASA on 30.01.2023 for the transfer of the Supplemental Type Certificate 10043630 Rev. 1, from Beechcraft Berlin aviation GmbH to Aviation Engineering AS, to undertake STC holder obligations.

Aviation Engineering AS holds an EASA DOA (EASA.21J.391) and is deemed to be able to undertake the obligations under 21.A.118A, and for this purpose has demonstrated its ability to qualify under the criteria of 21.A.112B of the Annex (Part 21) to Regulation (EC) No. 748/112.

Consequently, EASA has accepted the transfers and re-issued the above listed Supplemental Type Certificate.

All Airworthiness Directives (ADs) related to these products are still applicable unless replaced or cancelled.
