

<u>Aircraft rating requirements</u>			
	B1 licence	B2 licence	C licence
<u>Group 1</u> Complex aircraft + other aircraft defined by EASA	Individual TYPE RATING <i>Type training:</i> - Theory + examination - Practical + assessment <i>OJT (for first aircraft in licence subcategory)</i>	Individual TYPE RATING <i>Type training:</i> - Theory + examination - Practical + assessment <i>OJT (for first aircraft in licence subcategory)</i>	Individual TYPE RATING <i>Type training:</i> - Theory + examination
<u>Group 2:</u> (except those in Group 1) <u>Subgroups:</u> <u>2a:</u> single turboprop aeroplanes <u>2b:</u> single turbine helicopters <u>2c:</u> single piston helicopters	(B1.1, B1.3, B1.4 licence holders) Individual TYPE RATING <i>(type training+OJT) or (type examination + practical experience)</i> or Full SUB-GROUP RATING <i>(type training+OJT or type examination + practical experience on at least 3 representative aircraft)</i> or Manufacturer SUB-GROUP RATING <i>(type training+OJT or type examination + practical experience on at least 2 representative aircraft of that manufacturer sub-group)</i>	Individual TYPE RATING <i>(type training+OJT) or (type examination + practical experience)</i> or Full SUB-GROUP RATING <i>(based on demonstration of appropriate experience)</i> or Manufacturer SUB-GROUP RATING <i>(based on demonstration of appropriate experience)</i>	Individual TYPE RATING <i>(type training) or (type examination)</i> or Full SUB-GROUP RATING <i>(type training or type examination on at least 3 representative aircraft)</i> or Manufacturer SUB-GROUP RATING <i>(type training or type examination on at least 2 representative aircraft of that manufacturer sub-group)</i>
<u>Group 3</u> Piston engine aeroplanes (except those in Group 1)	(B1.2 licence holders) Individual TYPE RATING <i>(type training+OJT) or (type examination + practical experience)</i> or Full GROUP 3 RATING <i>(based on demonstration of appropriate experience)</i>	Individual TYPE RATING <i>(type training+OJT) or (type examination + practical experience)</i> or Full GROUP 3 RATING <i>(based on demonstration of appropriate experience)</i>	Individual TYPE RATING <i>(type training) or (type examination)</i> or Full GROUP 3 RATING <i>(based on demonstration of appropriate experience)</i>

	<i>experience)</i> Limitations: ▪ <i>Pressurized aeroplanes</i> ▪ <i>Structures (metal / composite / wood/metal tubing and fabric)</i> <i>(Limitations may be removed based on appropriate experience)</i>
