

EASA Industry Meeting

The EASA Certification Directorate

**Dr. Norbert Lohl
Certification Director**

Brussels, 26 April 2004

Main Objective & Missions

→ Our main objective

- To establish and maintain a high uniform level of civil aviation safety in Europe (for passengers, crews, and third parties)

→ Our missions

- Certification (airworthiness and environmental protection) of aeronautical products, design, production and maintenance organisations

Certification Directorate Responsibilities

➔ Certification of Products

- Type Certification
- Supplemental Type Certification (STC)
- ETSO-Authorisation
- Modifications/Repairs
- Corrective Actions (Airworthiness Directives)

➔ Certification of Organisations

- Design Organisations (EU and Foreign)
- Non EU Production Organisations
- Non EU Maintenance/Training Organisations

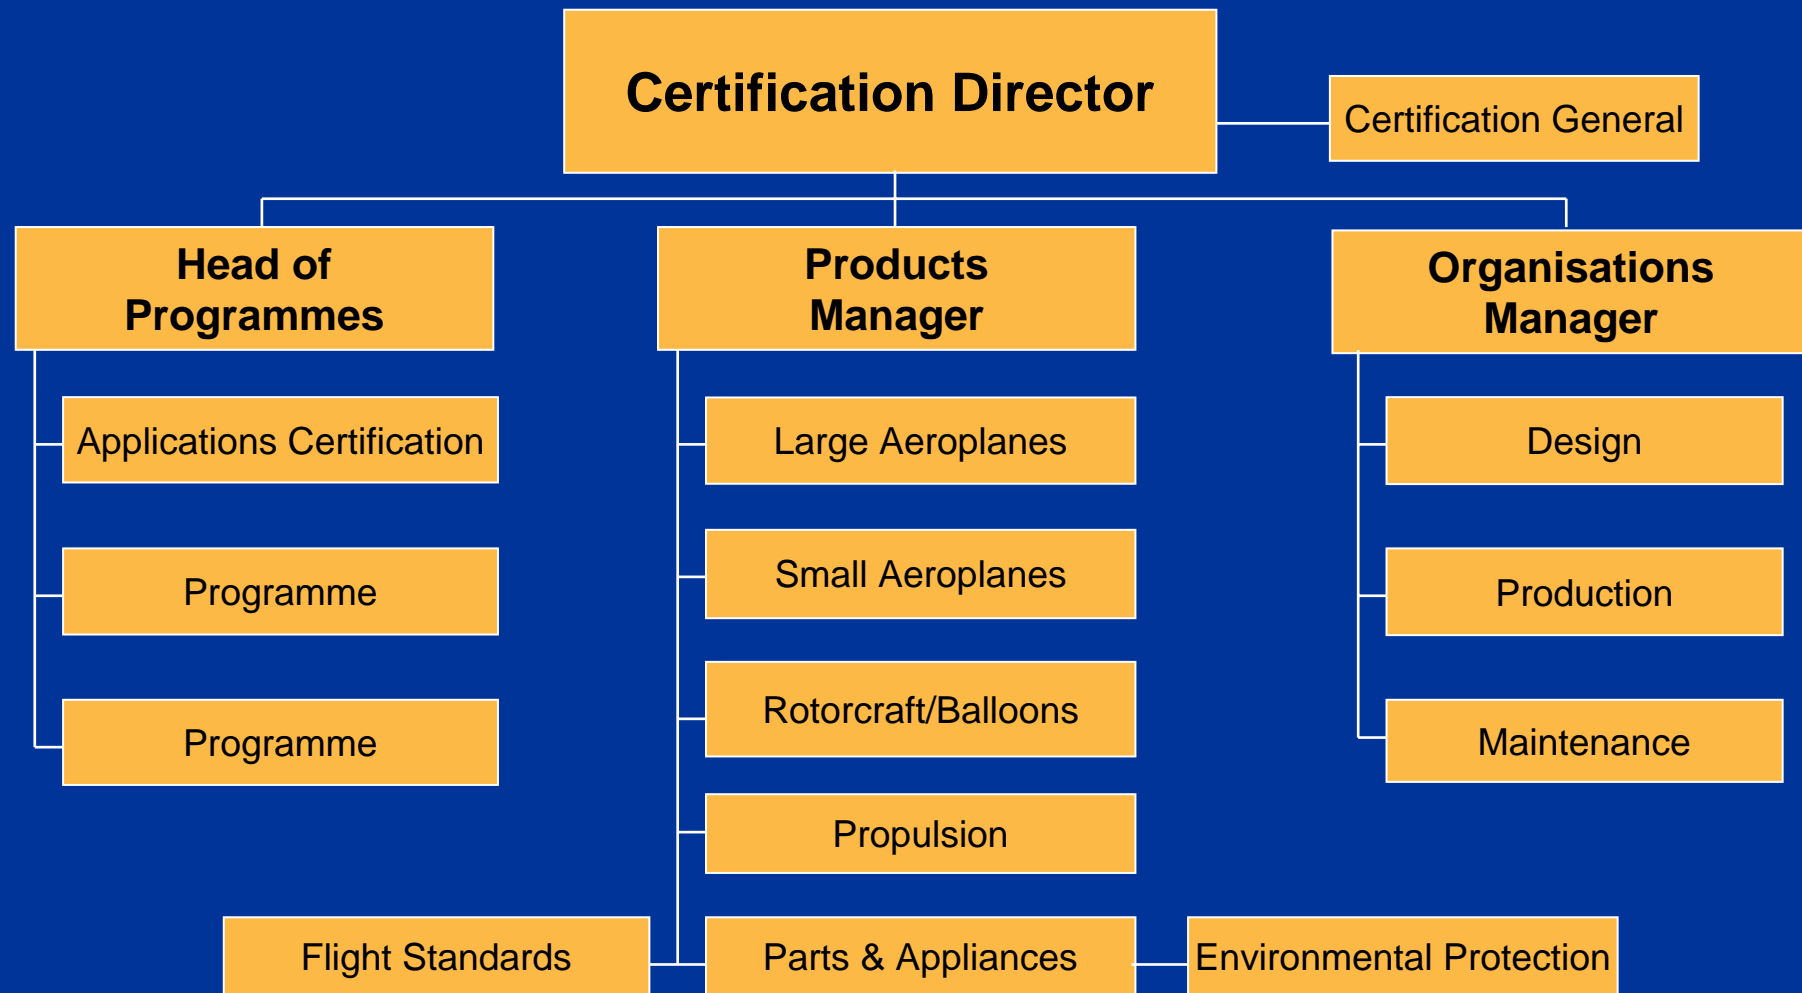

Certification Directorate Priorities

By end of 2004:

- ➔ Have all managers in place
- ➔ Have first PCMs and certification specialist in place
- ➔ Have all the certification staff (31) settled in Cologne
- ➔ Have complete set of internal certification procedures adopted and published (based on MB decisions)
- ➔ Have certification database published (lists, registers etc.)
- ➔ Have established sound working relationships and strong link of confidence, co-operation and communication with all relevant partners and customers
