

# **Provision of Services by EASA to JAA-T**

**Sharing/exercise of responsibilities and  
roles**

**By Patrick GOUDOU  
Executive Director EASA**

# Purpose of this Presentation

---

- ➔ **Inform stakeholders how EASA intends to exercise certain tasks and responsibilities on behalf of JAA-T related to Rulemaking, Standardisation Coordination, Facilities and related services and concerning the transfer of SAFA**

# **Memorandum between EASA and JAA-T**

---

- ➔ **EASA and JAA(-T) will sign Memorandum**
- ➔ **Objective: ensure that the implementation of the FUJA report is conducted in a clear and effective manner;**
- ➔ **Scope: outline of the services that EASA will provide to JAA-T in the field of Rulemaking, Standardisation Coordination and Facilities and SAFA database**

# **Rulemaking**

---

- ➔ **EASA manages JAR-11 process i.a.w. agreed JAA Rulemaking Process during JAA to EASA transition, i.e. technical management and process support;**
- ➔ **JAAC exercises overall management and decision-making powers;**
- ➔ **EASA delivers draft rules required by JAAC and included in a prioritised rulemaking programme**
- ➔ **JAA Liaison Office exercises administrative oversight on behalf of the JAAC of the smooth implementation of workprogramme and ensure publication of adopted JAA rulemaking products (JARs/JIPs);**

# **Standardisation Coordination**

---

- ➔ **EASA will take-over and execute the full coordination of JAA standardisation;**
- ➔ **Framework Contract for the Provision of Standardisation Coordination Services by EASA to JAA, [to be signed];**
- ➔ **Related arrangements outlining the details of the coordination in the field of Operations and licensing;**

# **Facilities and related Services**

---

- ➔ **EASA concluded with JAA hosting contract outline facilities and services to be provided;**
- ➔ **Facilities: EASA hosts within its premises JAA LO, by hiring extra office-space on 8<sup>th</sup> floor of EASA;**
- ➔ **Services: EASA ensures the provision of a variety of services, such as parking, utilities, cleaning, security, mailservices etc.;**

# Memorandum between EASA and JAA-T

---

- ➔ ***Monitoring*** through formal management meetings (3x annually);
- ➔ ***Validity*** until end 2010;
- ➔ ***Review*** of the (scope of) the services to be provided when Community competence is fully established;
