

EASA Certification Information

No.: 2024-09
Issued: 06 June 2024

Subject: Suspension of EASA Type Certificate No. EASA.AS.127 affecting WDL Luftschiffgesellschaft mbH WDL I and WDL I B airship models.

Type Certificate No.: EASA.AS.127

Affected product(s): WDL I, EDL I B

Issue date: 1 December 1972 (for WDL I)
22 September 1988 (for WDL I B)

Issued by: LBA (Luftfahrt-Bundesamt), on 28 September 2003 transferred to EASA

Type Certificate Holder: WDL Luftschiffgesellschaft GmbH

Background:

WDL Luftschiffgesellschaft mbH has informed EASA that the WDL I and WDL I B airship models are no more produced and there is no such airship model in operation. No Certificate of Airworthiness (CofA) is either active or needs to be revoked and no new CofA shall be issued. Consequently, they wish to suspend the airship TC.

EASA has communicated the aforementioned intention to suspend through CI 2024-02 and received no comments. Therefore the Agency hereby suspends EASA.AS.127.
